Fish Fry Information

The schedule for the first fish fry is attached. If any changes need to be made, please contact Raymond Alvarado at 661-0378.

I have received questions on what each area may entail. I have listed below some areas

Fish Prep-cleaning cutting fish, storing in containers

Cutting cakes-cutting and wrapping cakes

Hospitality area-greeting guests at the door, assisting guests by seating them, and getting their food and drinks

Serving area-working in the serving line, serving food to guests, washing & drying trays, refilling drinks and taking care of the tables on the stage area

Dining area-seating area in the gym, refilling drinks to guests, trash removal, cleaning tables, working drink area

Kitchen cleanup-washing all dishes, wiping down workstations, general clean up of the kitchen

Cleanup crew-cleaning tables, removing table clothes, putting all tables, chairs, mopping floors & classroom, putting away all fish fry items

We ask that you do not park in the parking lot of the school. We reserve this area for our guests who come early and in need of special assistance. You may park on Taylor Street, Jackson Street or church parking lot.

When you arrive to work, come to the round table located next to the milk cooler in the cafeteria to sign in. You will be responsible for turning in your own fish fry hours. Also, please fill out a nametag and wear it at all times while you are working. This helps the guests identify who is working.

Childcare is available to all families that are working with children in 3rd grade or below. A parent must supervise children. Please do not allow children to play on the bleachers. This is for the safety of them and all other guests.

Thank you to everyone for making fish fries a success. We could not do this without the help and support of each of you.

If you have any questions, please call me. You can still purchase advance tickets by filling out the attached form or give me a call and I will leave them at the door. See you all on Friday. Shirleen Sapp 275-5187 or shirleensapp@yahoo.com
