St. Mary's School - Athletics Service Hour Tracker

Service Hours are an important part of your Athletic's Agreement. It is a part of our Catholic Faith here at St Mary's - Serve As Christ Taught Us. Without the help of athletics families, we would not be able to host home games for our players. Athletics Service Hours for the school year run the same as SMS School Service Hours - beginning June 1st and ending May 31st. Please record below, and turn this completed form in to the school secretary prior to May 31. Families with a child in ANY athletic sport grades 4th through 8th are required to partcipate in 10 athletic service hours.

Any family that does not complete their athletic service requirement will be assessed $10.00 per hour not served. Be sure to communicate your volunteer hours to the office!
