

The purpose of this document is for a parish member family to request support for school tuition. This support would come in the form of a reduced tuition rate at the "Marian" level of our tiered tuition program. In return for this support, the school and church would expect the family to be active and contributing members of our parish. All information that is provided on this form will be kept in strictest confidence. Thank you for your continued help, support and love for the activities and programs of St. Mary's School, our students, our staff, and our church.
